### CONSULTANT PROFILE

# PRESTERA FX

training & consulting

### BIO:

Mae Prestera is a design manager and principal at Prestera FX. Mae manages our internal project teams in designing the overall learning strategy and creating the client deliverables including e-learning modules, classroom materials, workshops, presentations and webcasts. Mae has more than 7 years experience as a project manager and instructional designer across a variety of projects, subject matter experts, and target audiences. She has designed effective and engaging e-learning programs, instructor-led workshops, and entire curricula. Mae is also a CPA and has an extensive database systems development and project management background. She is uniquely positioned to assist clients with impact and ROI evaluation, balanced scorecards, and other measurement initiatives.

### ROLES:

- Principal, Prestera FX, Inc.
- Design Manager
- Project Manager
- Instructional Designer
